Qedirov Zeynalabdin

WEB DEVELOPER

ABOUT

I am Gadirov Zeynalabdin. I am a fourth year student at Baku State University. I like watching movies, reading astronomical articles, and being interested in technology. I'm on my way to becoming a sought-after developer.

EDUCATION

Baku State University

2019-2023 | Computer Science

EXPERIENCE

- **Freelance 2021- May 2022**

I code the corporate, e-commerce, ERP type designs I receive and hand them over to the backend developer.

- **EXPARGO LTD July 2022 - Currently**

I work on the creation of ERP systems, increasing the functionality of the existing ones and on additional personal projects of the company.
I am currently working on the UI of an international cargo application.
